8-YEAR OLD CHRISTINA CLINCHES COVETED AWARD IN PRESTIGIOUS PAINTING OF THE YEAR COMPETITION

We're extremely pleased to announce that one of Art Boot Camp's very own students, Christina Chang, was awarded the much coveted "HIGHLY COMMENDED AWARD" in the 2009 edition of Singapore's most prestigious annual art competition – the 28th UOB PAINTING OF THE YEAR COMPETITION, in July.

Following the awards ceremony, the original prize-winning entry, titled "The Eating Picture", has since been kept by UOB under their prestigious private Art Collection, alongside artworks of renowned artists from Singapore and throughout the region. However, we're pleased to say that we managed to get reproductions of this beautiful masterpiece printed on canvas. They are currently proudly on display at both our East Coast and Bukit Timah campuses for all to enjoy. The UOB Art Collection is displayed in UOB's offices and branches in Singapore and abroad, offering exposure to a vast audience. Our heartiest Congratulations, Christina!

One happy camper!

"Art Boot Camp's concept is FABULOUS!!! I mean, what can I say? It's simply wonderful what this place is doing for children. Children need an outlet to express themselves and this is the perfect place for it."
